

January 2021

Dear Pastor and Church,

We wish you a blessed New Year. May God fill you with wisdom to follow God's will in these uncertain times. Our governor shut everything down, all stores, churches everything for two weekends in December. We had church anyway. We were visited by the police again. The next week, we divided up in five homes.

Bill went to Panama to visit our son's family in December. It was a preaching, grandkids, fishing trip. (Not necessarily in that order!) Bill preached 9 times in 7 days in 4 different places! Three people were saved. Sherry couldn't go, because her passport is being processed. Billy, our grandson was a newborn the last time we saw them, now he is 2!

Please pray for Bro. Chabelo Bustos, missionary in Veracruz, he has Covid19 and double pneumonia. He should be in the hospital, but neither he nor his wife will agree. Also, for Bro. Rodolfo Garcia, missionary in Tamaulipas, his whole family is sick with Covid19 symptoms. We praise God that so far none in our fellowship, pastors or members have died of Covid. We do know we have been so blessed. We are still having problems building on the church buildings, in December everything tightened back down.

Between now and Easter, our plan is to ordain 3 pastors, Bro. Emanuel Maldonado, Bro. Gabriel Medina and Bro. Jose Torres. Please continue to remember us in your prayers.

Your Missionaries to Mexico,

Bro. Bill & Sherry Williams
