

Dear Brother James,

We thank God for you and the church. God is good to us. We are in Aguas Calientes; we have been here three weeks. We had to find a place to live. We lived with the pastor and his family, in a house with two small rooms and a small living room. To say the least it was getting tight. Thank the Lord we now have our own house that we are paying a little more than 100 dollars a month. I don't know if you received my latest update or not. But I will try to append it to this note.

We rejoice on the news of your father and his health. I hope that I have the updated news and that all is well with him.

Brother Troy and Veneda

Appended: We just want to update you on what is happening in the ministry here in Mexico. We have been in Aguas Caliente for nearly three weeks now. we begin living in a small house that we are renting. Today a week ago we signed a contract last Saturday and moved the few things that we had in our truck. We had been living with Allen and Lupita, the young couple that have been living here for five years trying to start a work. This year when I was sick with Covid 19, the Lord impressed me to begin to try to help some of these young works get off the ground. Brother Allen came to my mind to help first. That is where we are at, at the time being. It is not easy to leave the place and area where we have been for over 20 years. Missionaries are just like you, in the sense that we like familiarity, but I believed that God had spoken and here we are trying to help this young couple from Monterrey. They are having two families that are coming to the services. Both families have experiences with drugs and alcohol. Please pray for them. Also pray for Allan and Lupita. They Have 3 children, 2 girls and one boy. He must work to supplement the few churches that help him from the work in Monterrey and other states. He makes about 75 dollars a week doing gardening.

Please pray for a need that I feel that it is time in our lives, that we have: and that is a house of our own. We would like to build up in Monterrey on the property. Right now, we are renting two houses at the moment. We don't have an idea how much it will cost; my brother-in-Law, Bill says that least 20 thousand dollars and maybe more. Please help me pray about this pressing need so that I can have a base to go out and help these different works. Beside I am not getting younger.

Please pray for my family in the states, they really need your prayers.
