GREETINGS

Dear Pastor and Church,

July 2021

Hello from Panama! We pray this letter finds you doing well and will be an encouragement to all who support our ministry here.

Church Update

Ebenezer Baptist Church is doing well and have many blessings to share!

In February, we were able to start our first Bible institute, with classes two nights a week. There are eight men from our church attending right now, three of which feel the call of God on their lives and are seeking His will on where He would have them serve.

In April, God allowed us to purchase the piece of property that we had been looking at and praying about to build the church on. Right now we are meeting under a tent as we work through all the building permits and permissions. Thank you so much to all the churches and individuals who gave towards this property! We know it will be used greatly for His glory!

My dad and mom came down the first of May for the birth of our son, and dad was able to preach a revival for us while he was here. God used it greatly! We saw people

saved and others make things right with God and the church!

In June, we celebrated our four year anniversary as a church and also had our first wedding in the church. God has been so good to Ebenezer!

Reservation Ministry Update

Reservation Baptist Church is doing well and have completed their first church building!

Bro Elmer and his wife came down to stay in town for a couple of months for the birth of their son, and we just took them back to the reservation to continue ministering there.

A huge thank you to Countryside Baptist Church for donating to build the next church building on the reservation in a village called, Jujucal, that Bro. Elmer has begun preaching in. We are excited about what God is doing there!

Praise

We are so happy to announce the newest addition to our family, Roy John Williams! He was born on May 5th, perfectly healthy with no breathing issues, which is always a concern when a baby is taken early! He is named after two men that went to be home with the Lord last year, who were very influential in my life!

We are also praising God, and so thankful to Ridgeview Baptist Church, for donating to the building of Ebenezer Baptist Church! Also, two different individuals have sent donations for the building and work down here. Words could never express our gratitude and we pray God blesses you richly! We are excited and look forward to being able to send pictures and updates of the building progress in the coming months!

In His Service,
Jonathan Williams
