Dear Pastors, Churches and Praying friends,  
“Eph 5:20 Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ;”

We cannot thank the Lord enough for how good He has been to our family. Here we are at the end of our deputation, and oh how fitting it is to be ending during the week of Thanksgiving. We look back over the past three years and all we can say is, “Praise the Lord!”

Thank you to each and every Pastor, Church, and friend that has prayed for us and helped us throughout this journey. The Lord has allowed us to make so many friends across the country. We have been truly blessed beyond measure.

We have officially received the keys to the church building in Forfar and we are excited to get there and begin reaching out to the city and watch God fill the building.

We are still waiting on our sponsorship paperwork to come back, hoping it won't be much longer, so we can get our visas started. We are about \$4000 shy of what we need for

our visas and also \$2800 for our container that will be shipped out the first of January. If you would please help us pray for these needs that this will come in quickly.

Praise the Lord, the girl's passports have arrived with no issues and just this week we have secured a house in Scotland.

We are currently at 96% of our support and looking for others that have promised commitment to show up soon.

We are looking forward to spending the holidays with our family as we know the good-byes are coming and are praying that everyone is well, so we can make the most of our remaining time here.

Our next letter prayerfully will be written from Scotland, and we couldn't be more excited about getting started in the ministry there.

We wish you all a Happy Thanksgiving and a very Merry Christmas!

Your servants in Christ to Scotland
